Dear Campers and Friends of Sabattis Adventure Camp,

Due to an unfortunate turn of events, the two 30' "War Canoes" we ordered last winter will not be ready in time for camp this summer. The manufacturer that is a Canadian Scouter had to put our project aside to spend time with his wife who became very sick with terminal cancer. As Scouts we understand Larry's situation and wish him the very best.

As a group of volunteers we tried our best by making the best decision possible for this last minute notification. We scrambled to other companies trying to make it happen for this very special summer (50th anniversary). Unfortunately it takes 30-45 days to manufacture a canoe. The Patriots' Path Council did not have any influence on not getting the canoes for this summer. If you have any questions, please feel free to contact Rick Jurgens, President at rick@friendsofsac.org.

The funds are still in place for two War Canoes which will be ordered immediately and ready for Sabattis 2010. In addition, in 2010 we will be doing a waterfront rehab (sand, benches, Adirondack chairs, towel hangers, etc.) that the membership voted on.

Camp this summer is right around the corner and we hope to see you there.

Thank you for your continued support.
